Proclamation of Winter Bread and Warmth

Kalapula Nation Restoration & Cultural Preservation

(Oregon Nonprofit Corporation — Registry #245130992)

Crown Watchpoint 001A · Corvallis, Oregon

Issued under the Flame of Stewardship — October 20, 2025

It begins with the scent of bread.

Once, our ancestors baked camas and acorn loaves beside the winter fires of the Marys River lodges.

Those fires are gone now — yet memory endures.

Today, as the rains return to the Willamette Valley, the Kalapula Nation calls our community to rise together in remembrance and action.

🔥

Article I — Purpose

To restore warmth, dignity, and nourishment to every unhoused neighbor in our valley through a unified effort of baking, feeding, and remembrance.

Each loaf, scone, or cup of coffee is a sacred gesture — a message that no person is forgotten, and that nourishment is restoration itself.

🌾

Article II — The Call

We call upon the people of Corvallis, Benton County, and all the Willamette Valley to join this vow.

The need is immediate. The cold is here. The ovens must follow.

We seek all forms of aid necessary to sustain this mission:

🥖 **Ingredients & Supplies**

Flour · Sugar · Yeast · Oil · Butter · Salt · Coffee · Baking mixes · Packaging supplies

🏠 **Facilities & Storage**

- Commercial or community kitchen space
- Church, school, café, or restaurant ovens
- Dry, cold, or freezer storage for finished goods
- Tables, racks, and bins for packaging

🚗 **Volunteers & Logistics**

- Fuel and delivery support
- Local partners to host pick-up or drop-off stations

Every ingredient is sacred. Every storage shelf is a lodge reborn.
